566 INVESTMENT POLICIES AND GUIDELINES OF THE TOWN OF RIVERHEAD

Councilperson Civiletti. Offered the following resolution which was seconded by Councilperson Lombardi.

INVESTMENT POLICIES AND GUIDELINES OF THE TOWN OF RIVERHEAD

The objectives of the Investment Policy of the Town of Riverhead are to minimize risk; to insure the investments mature when the cash is required to finance operations; and to insure a competitive rate of return. In accordance with this policy, the chief fiscal officer is hereby authorized to invest all funds including proceeds of obligations and reserve funds in:

- . Certificates of Deposit issued by a bank or trust company authorized to do business in New York State;
- . Time Deposits Accounts in a bank or trust company authorized to do business in New York State;
- . Obligations of New York State;
- . Obligations of the United States Government;
- . In Repurchase Agreements involving the purchase and sale of direct obligations of the United States.

All funds except Reserve Funds may be invested in;

- . Obligations of agencies of the federal government if principal and interest is guaranteed by the United States.
- . With the approval of the State Comptroller, in Revenue Anticipation Notes or Tax Anticipation Notes of other governments.

Only reserve funds may be invested in:

- . Obligations of the Town of Riverhead.

All other Riverhead officials receiving money in their official capacity must deposit such funds in negotiable order of withdrawal accounts.

All investments made pursuant to this investment policy shall comply with the following conditions:

COLLATERAL

- a. Certificates of deposit shall be fully secured by insurance of the Federal Deposit Insurance Corporation or by obligations of New York State or obligations of the United States or obligations of federal agencies the principal and interest of which are guaranteed by the United States, or obligations of New York State local governments. Collateral shall be delivered to the Town of Riverhead or a Custodial Bank with which the Town of Riverhead has entered into a Custodial Agreement. The market value of collateral shall at all times equal or exceed the principal amount of the certificate of deposit. Collateral shall be monitored no less frequently than monthly, and market value shall mean the bid or closing price as quoted in the Wall Street Journal or as quoted by another recognized pricing service.
- b. Securities purchased through a repurchase agreement shall be valued to market at least weekly.
- c. Collateral shall not be required with respect to the direct purchase of obligations of New York State, obligations of the United States, and obligations of federal agencies the principal and interest of which are guaranteed by the United States Government.

2. DELIVERY OF SECURITIES.

- a. Repurchase Agreements. Every Repurchase Agreement shall provide for payment of the seller only upon the seller's delivery of obligations of the United States to the Custodial Bank designated by the Town of Riverhead or in the United States are credited to the Custodian's Federal Reserve Bank account. The seller shall not be entitled to substitute securities. Repurchase agreements shall be for periods of 30 days or less. The Custodial Bank shall confirm all transactions in writing to insure that the Town of Riverhead's ownership of the securities is properly reflected on the records of the Custodial Bank.
- b. Payment shall be made by or on behalf of the Town of Riverhead for obligations of New York State, obligations the principal and interest of which are guaranteed by the United States, United States Obligations, certificates of deposit, and other purchased securities upon the delivery thereof to the custodial bank, or in the case of a book-entry transaction, when the purchased securities are credited to the Custodial Bank's Federal Reserve System account. All transactions shall be confirmed in writing.

3. WRITTEN CONTRACTS.

Written contracts are required for Repurchase Agreements, certificates of deposit, and custodial undertakings. With respect to the purchase of obligations of United States, New York State, or other governmental entities, etc. in which monies may be invested, the interests of the Town of Riverhead will be adequately protected by conditioning payment on the physical delivery of purchased securities to the Town of Riverhead or Custodian, or in the case of book-entry transactions, on the crediting of purchased securities to the Custodian's Federal Reserve System account. All purchases will be confirmed in writing to the Town of Riverhead.

It is therefore, the policy of the Town of Riverhead, to require written contracts as follows.

- a. Written contracts shall be required for all Repurchase Agreements. Only credit worthy banks and primary reporting dealers shall be qualified to enter into a Repurchase Agreement with the Local Government. The written contract shall provide that only obligations of the United States may be purchased, and the Town of Riverhead shall make payment upon delivery of the securities or appropriate book-entry of the purchased securities. No specific repurchase agreement shall be entered into unless a master repurchase agreement has been executed between the Town of Riverhead and the trading partners. While the term of the master repurchase agreement may be for a reasonable length of time, a specific repurchase agreement shall not exceed thirty (30) days.
- b. Written contracts shall be required for the purchase of all certificates of deposits.
- c. A written contract shall be required with the Custodial Bank.

4. DESIGNATION OF CUSTODIAL BANK.

1. Custodial Bank. The following is a list of Depositories of the Town of Riverhead and their respective Custodial Banks:

5. FINANCIAL STRENGTH OF INSTITUTIONS.

All trading partners must be credit worthy. Their financial statements must be reviewed at least annually by the Chief Fiscal Officer to determine satisfactory financial strength or the chief fiscal officer may use credit rating agencies to determine credit worthiness of trading partners. Concentration of investments in financial institutions should be avoided.

Investments in time deposits and certificates of deposit are to be made with banks or trust companies. Their annual reports must be reviewed by the Chief Fiscal Officer to determine satisfactory financial strength.

When purchasing eligible securities the seller shall be required to deliver the securities to our Custodial Bank.

Repurchase agreements, shall be entered into only with banks or trust companies or registered and primary reporting dealers in government securities. Sound credit judgements must be made with respect to trading partners in repurchase agreements. It is not assumed that inclusion on a list of the Federal Reserve is automatically adequate evidence of credit worthiness.

A margin of 5% or higher of the market value of purchased securities in repurchase agreements must be maintained.

6. OPERATIONS, AUDIT AND REPORTING.

. The chief fiscal officer or the Financial Administrator shall authorize the purchase and sale of all securities and execute contracts for Repurchase Agreements and certificates of deposit on behalf of the Town of Riverhead oral directions concerning the purchase or sale of securities shall be confirmed in writing. The Town of Riverhead shall pay for purchased securities upon delivery or book-entry thereof.

. The Town of Riverhead will encourage the purchase and sale of securities and certificates of deposit through a competitive or negotiated process involving telephone solicitation of at least three bids for each transaction.

. At the time independent auditors conduct the annual audit of the accounts and financial affairs of the Town of Riverhead, the independent auditors shall audit the investments of the Town of Riverhead for compliance with the provisions of these Investment Guidelines.

. Within sixty (60) days of the end of each of the first three quarters of the fiscal year, the chief fiscal officer shall prepare and submit to the Audit and Finance Committee of the Town of Riverhead a quarterly investment report which indicated new investments, the inventory of existing investments and such other matters as the chief fiscal officer deems appropriate.

. The Town Board of the Town of Riverhead shall review and approve the annual investment report, if practical, at its first July meeting.

. At least annually, and if practical, at least the 1st July meeting of the Town Board, the Members shall review and amend, if necessary these Investment Guidelines.

. The provisions of these Investment Guidelines and any amendments hereto shall take effect prospectively, and shall not invalidate the prior selection of any Custodial Bank or prior investment.
